

Affordable Shopping Solution in New Zealand

Office Buy is your online shopping bazaar, which fulfills all your stationery needs. Customer satisfaction and loyalty has awarded Office Buy a leadership position in providing quality stationery services to the people and business in New Zealand. Office Buy provides them with the finest service in stationery and office supplies. Office Buy has married the craft of fine printing and the art of customer service with the latest technologies. We have built our business on creating customer relationships that last.

Sometimes you wonder from where you can buy your office stationery, [Book store](#), white boards and whole lot of things which are used in office for everyday work. In this site we have general stationary items such as rulers, rubber and removers, pencils, sharper, staplers and staplers pins, post it, desktops tapes, pre made stamps (such as fax, copy), office waste bins, pen holders, letter trays and magazine files and diaries on which you can write your schedule for each day and it helps you to organize your work in a better way.

To write something you need writing books and you get them in a form of exercise books and analysis books. Analysis books have a whole range of record books, Account statement books, delivery and order books, Receipt books, log books, restaurant books, bank deposit books and tax and invoice books.

If you have typed something on your computer, you need a printer for printing it on the paper sheet. Sometimes people restrict themselves to a standard A4 size white colour paper. But at Officebuy you have a full range of white and colour papers which are available in different sizes such as A5, A4, A3, A2 and A1.

For your presentation needs, we have a full range of electronic white boards, Interactive white boards, OHP projectors screen which makes your presentation and training programs more effective and professional. To support the whole range of white boards we have white board stands, white board trolleys, white board markers and whiteboard dusters. All these products can serve all your presentation needs.

For your packaging needs, we have a full range of envelopes, bags and tapes. You can have all different kind of bags for your personal use such as shopping bags, paper bags and plastic bags. You can also find NZ post envelopes for sending personal and office letters. For sending letters you need postage stamps and you can also find them on officebuy website. You can find all kinds of tapes such as cello tapes which are there in all shapes and sizes.

In all it is a one stop shop for all your office needs.
